

On a sunny day, on Saturday, there was a very happy family. In this family, Mary was the mother, Noah was her eldest son, and Zoe the youngest sister.

On Saturday morning, Mary decided to take them to the zoo.

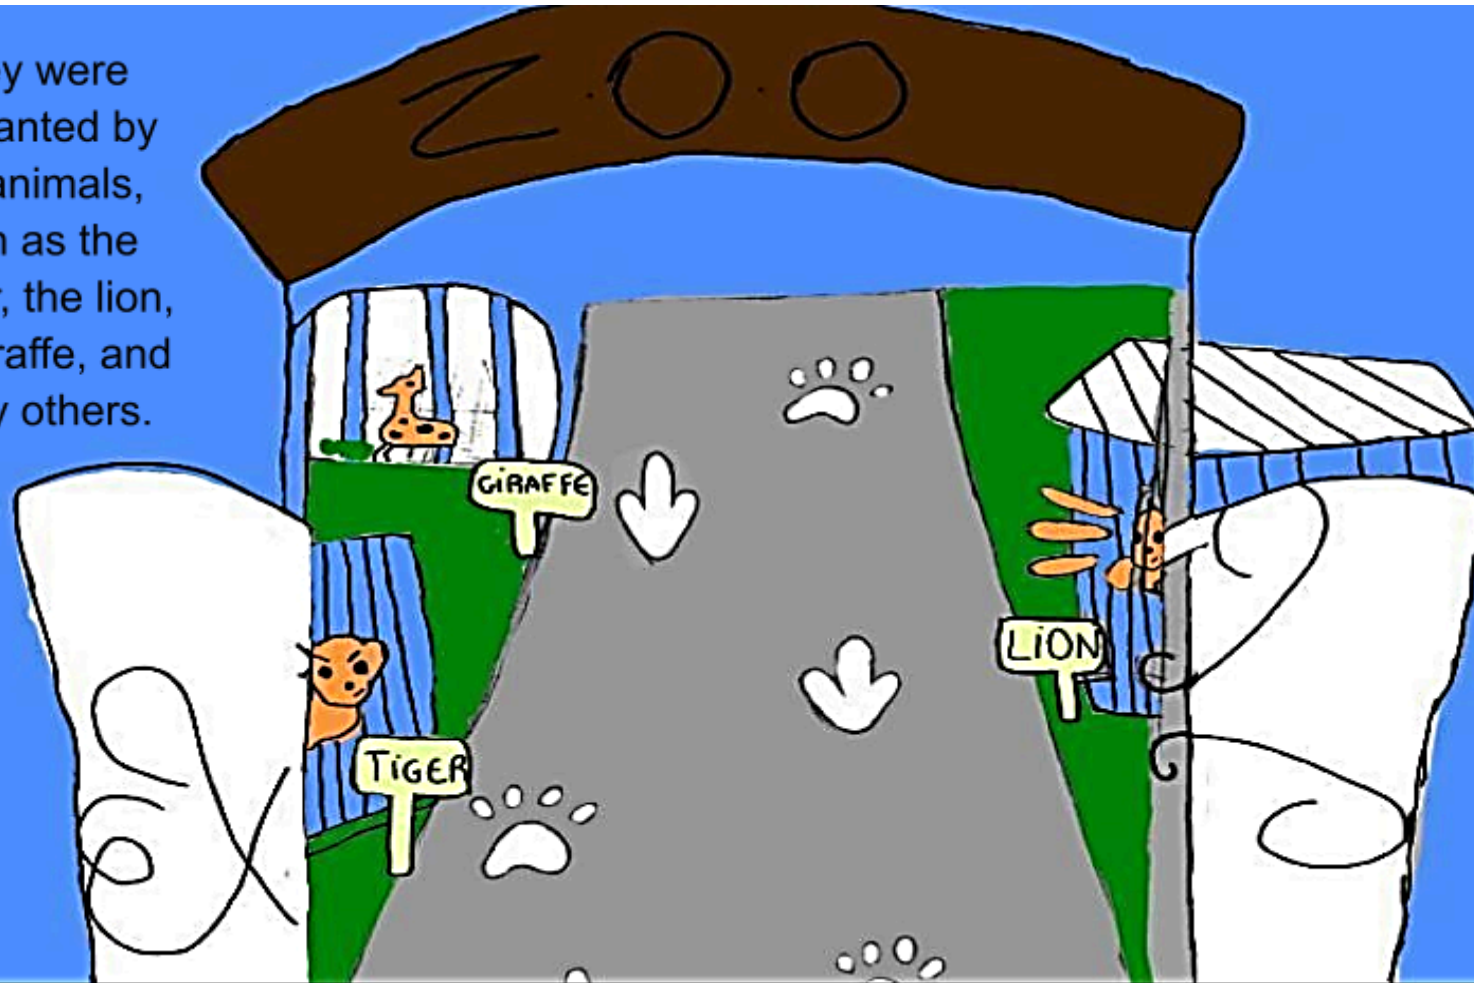

Zoe and Noah were super excited to go on this adventure!

The day they had been waiting for had arrived! They arrived at the zoo super happy and excited to be there!

They were enchanted by the animals, such as the jaguar, the lion, the giraffe, and many others.

Zoe and Noah wanted to see the lion up close! So Mary took them to see him.

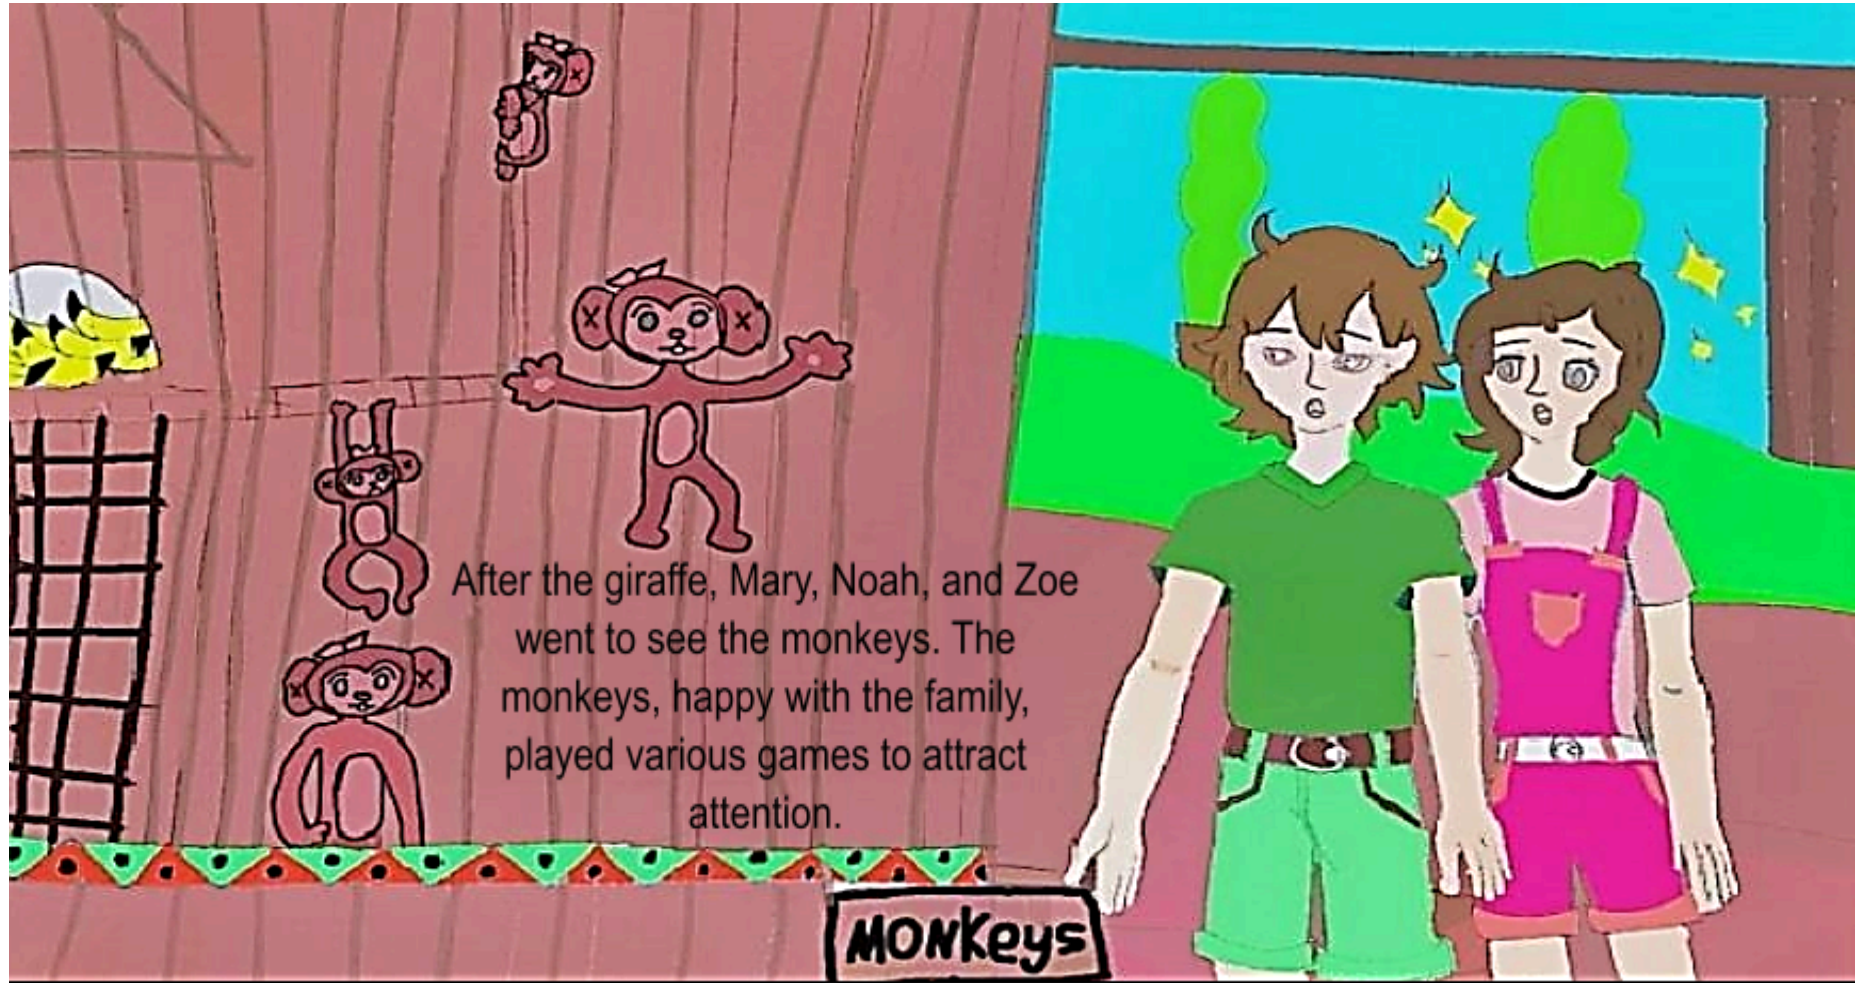

When they arrived at the cage, they were a little scared, but at the same time happy to be face to face with a lion.

So the children decided to see the giraffe and were surprised at the size of its neck. "What a big neck!" said Zoe.

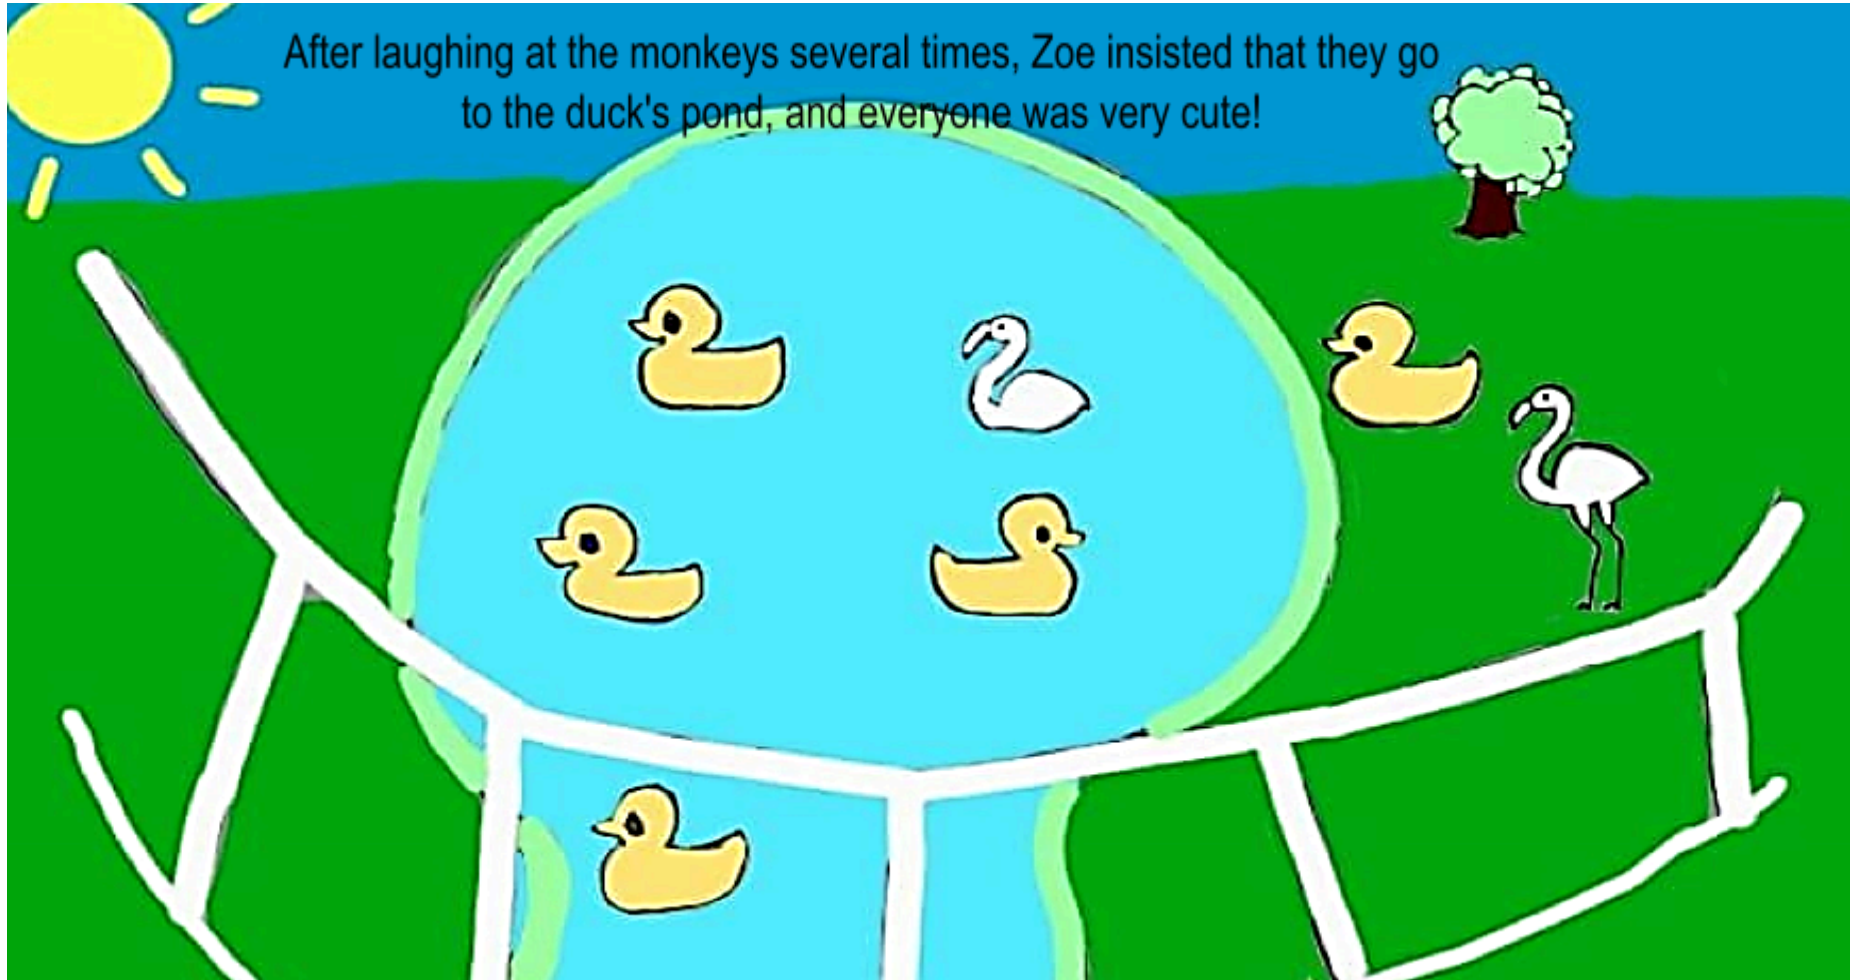

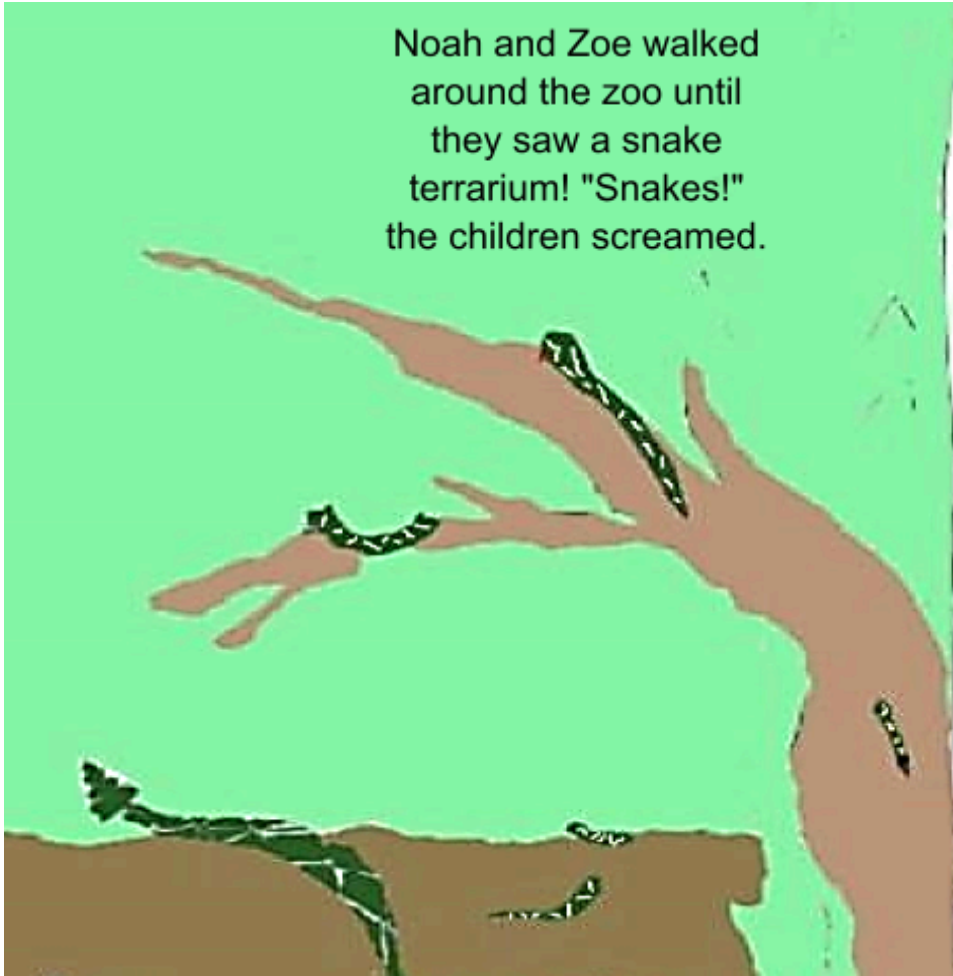

After the giraffe, Mary, Noah, and Zoe went to see the monkeys. The monkeys, happy with the family, played various games to attract attention.

MONKEYS

After laughing at the monkeys several times, Zoe insisted that they go to the duck's pond, and everyone was very cute!

Noah and Zoe walked around the zoo until they saw a snake terrarium! "Snakes!" the children screamed.

They were so happy seeing all those different animals!

Mary, the children's mother, was very happy that they enjoyed the trip! But unfortunately, it was time to go back home. And Noah and Zoe were already looking forward to returning to the zoo.

Acknowledgments

The 7th grade B, a very dedicated class, wrote this book with a lot of love and unity! We thank our teacher, Alessandro Holderbaum, for helping us create this book for young children.
