

Parts of the house

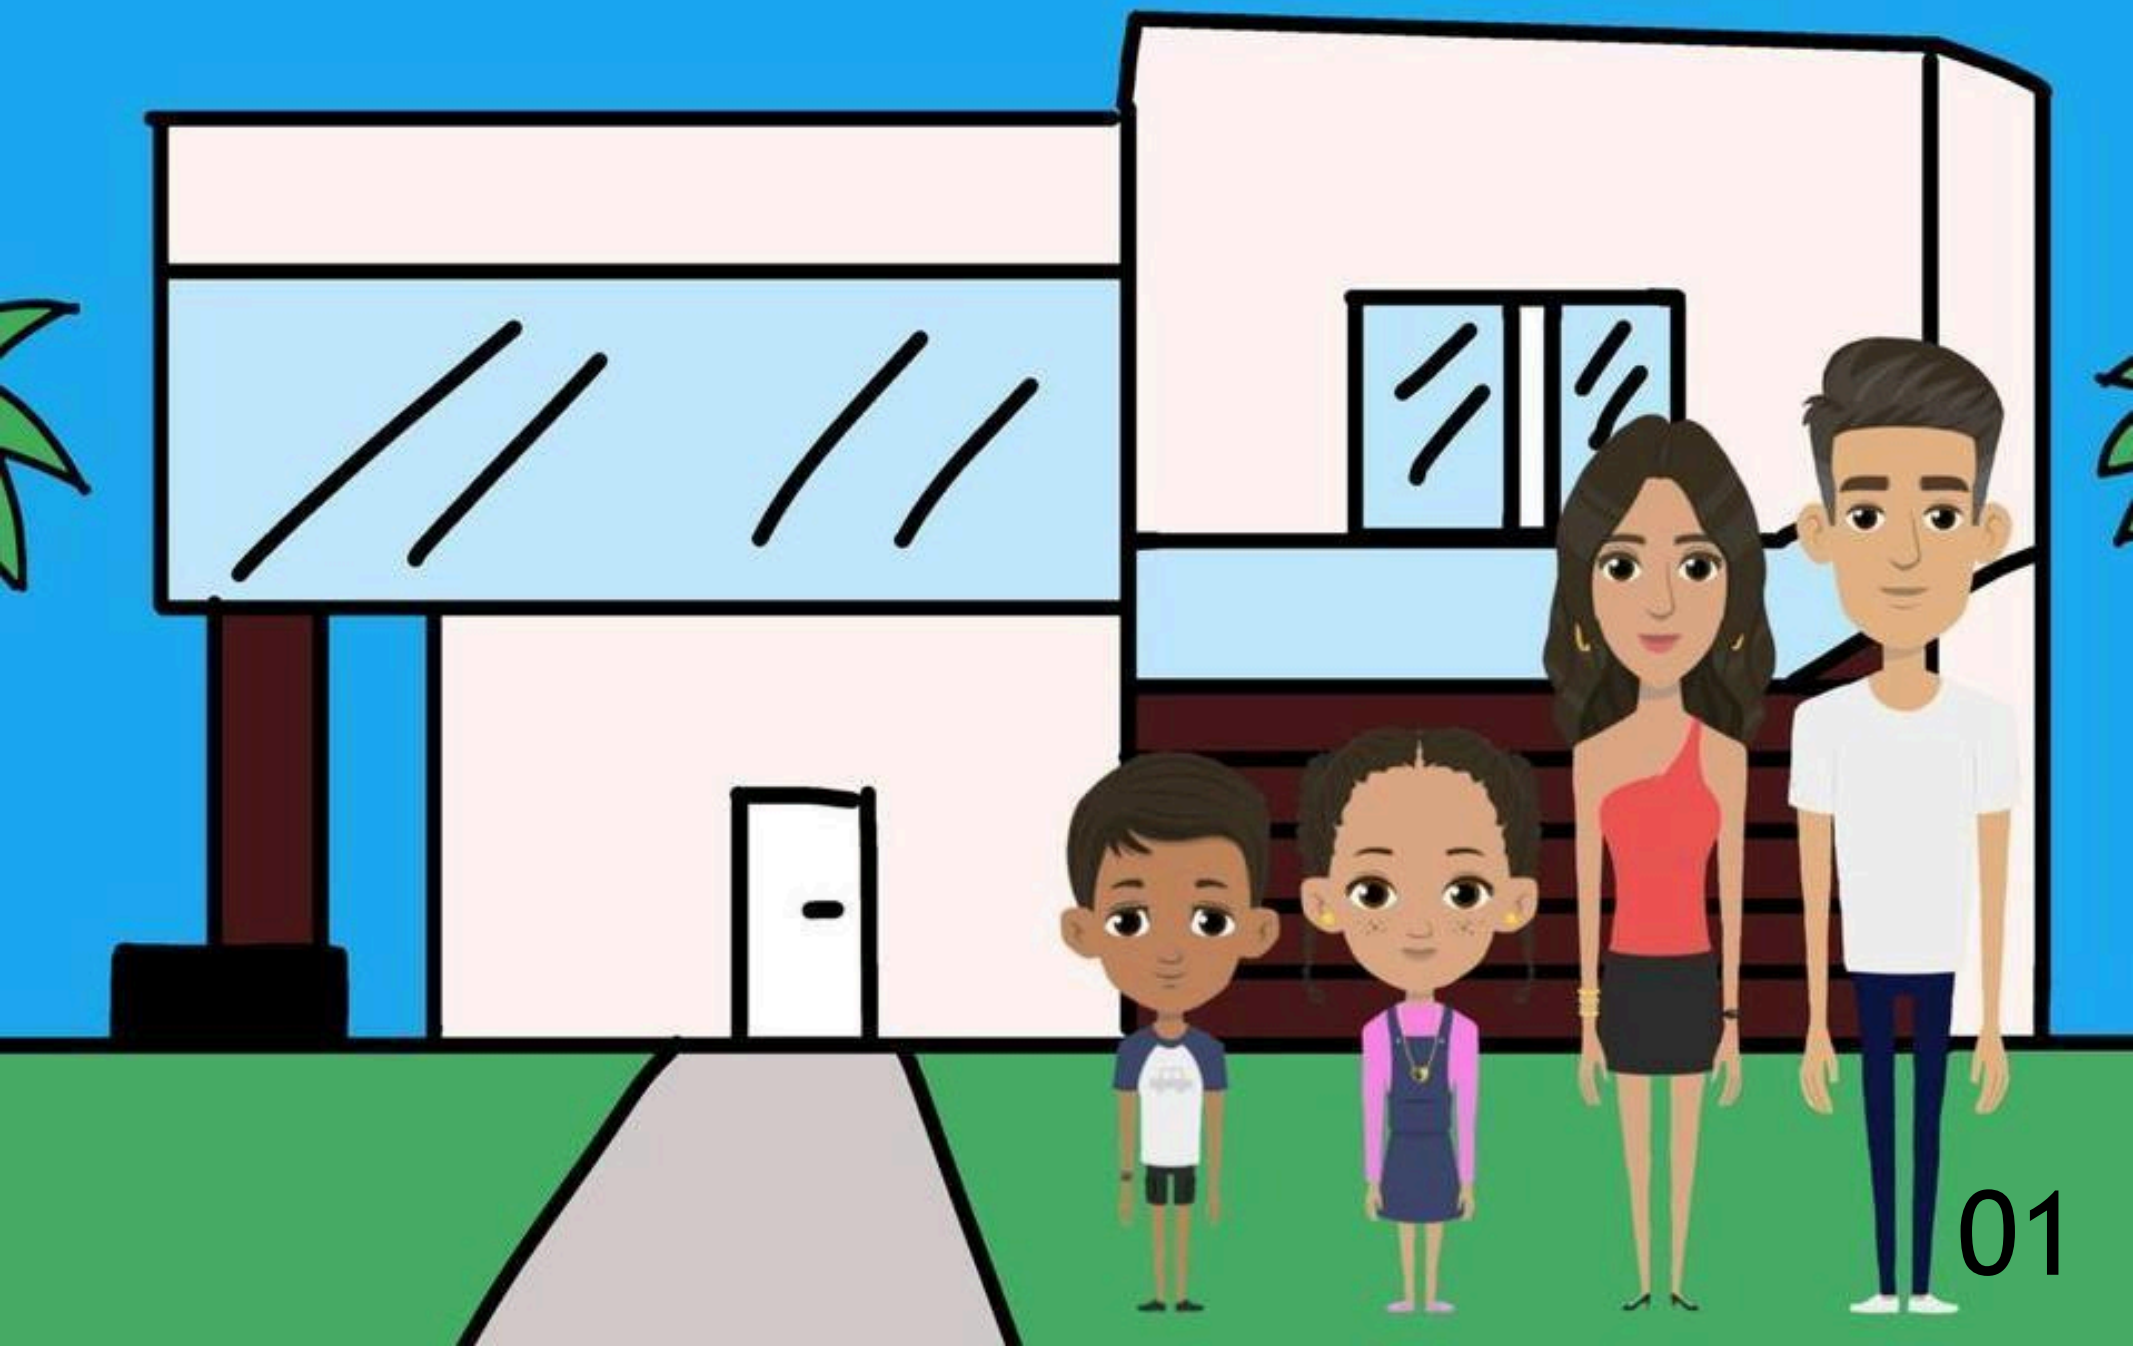

With Lolla and her family

7A - SUL

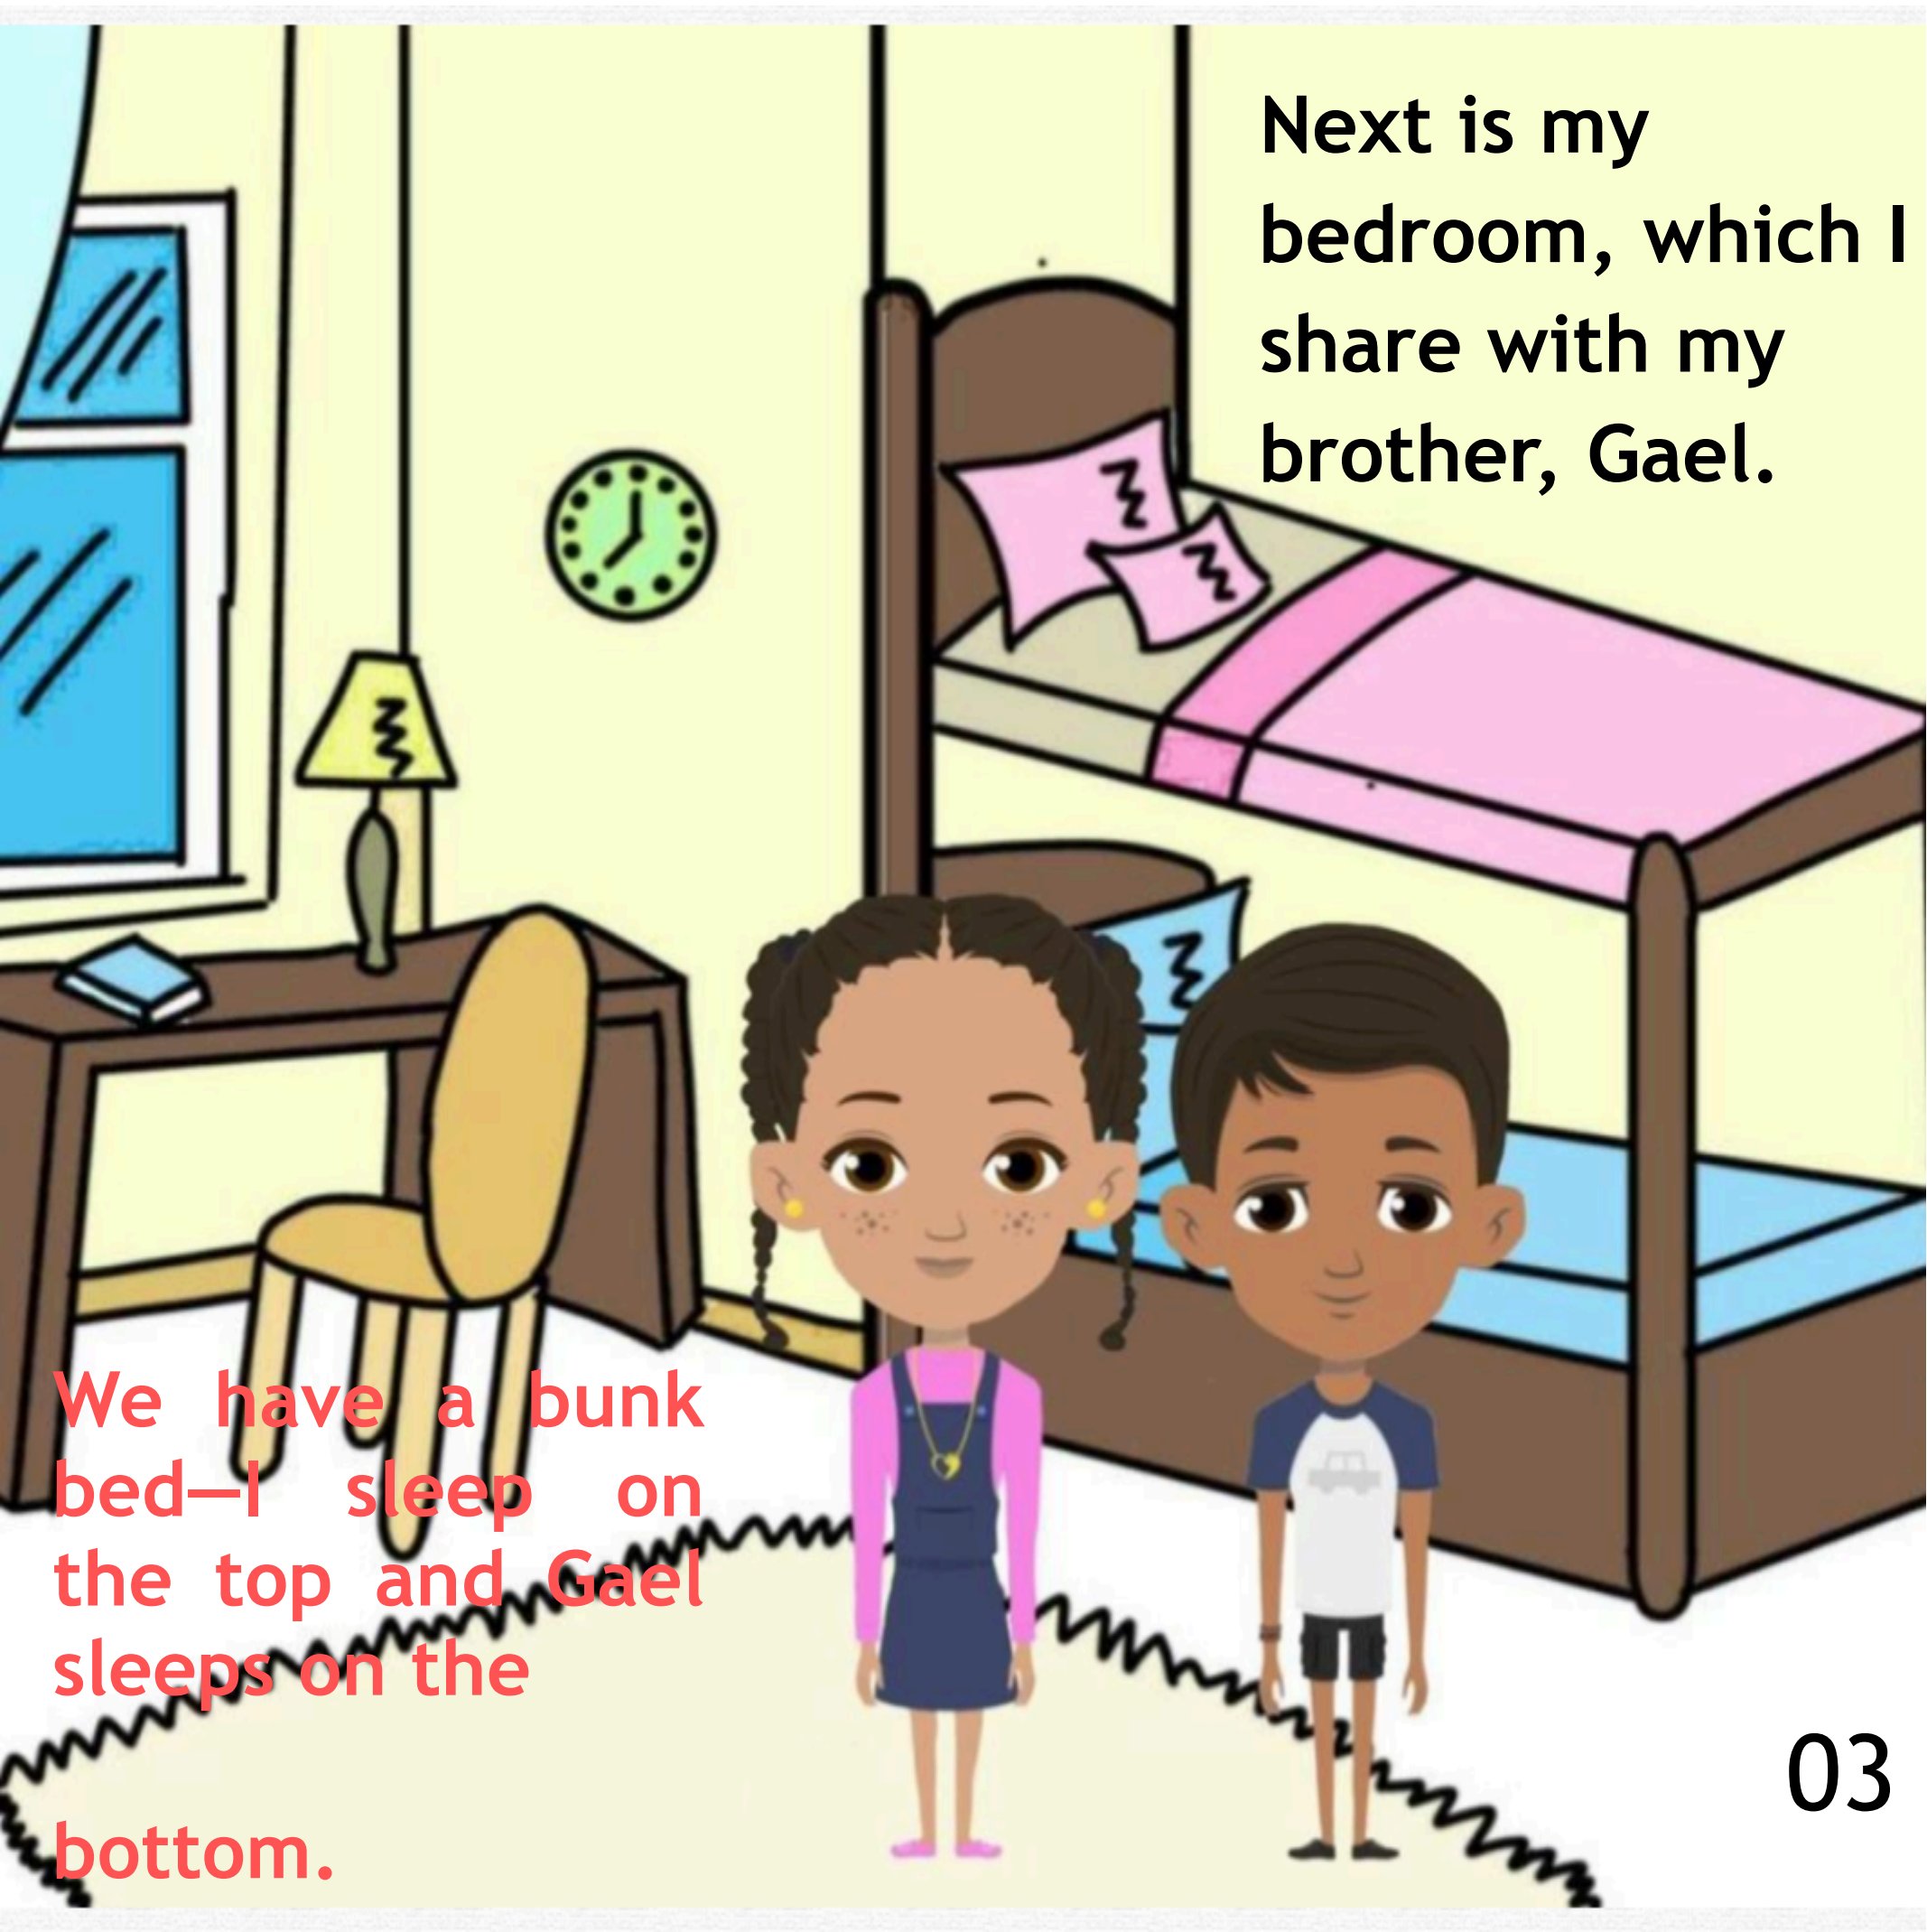

We would like to thank God, our Family, friends and teachers. We are so proud of this job because we put a lot of effort into it. This has been a dream coming true. We hope you enjoy it!

Hi guys, my name is Lolla, and today
I'm going to show you around my
house.

First, let's visit my parents' bedroom.
It's on the second floor. It's very big and
has a huge TV that I love watching!

Next is my
bedroom, which I
share with my
brother, Gael.

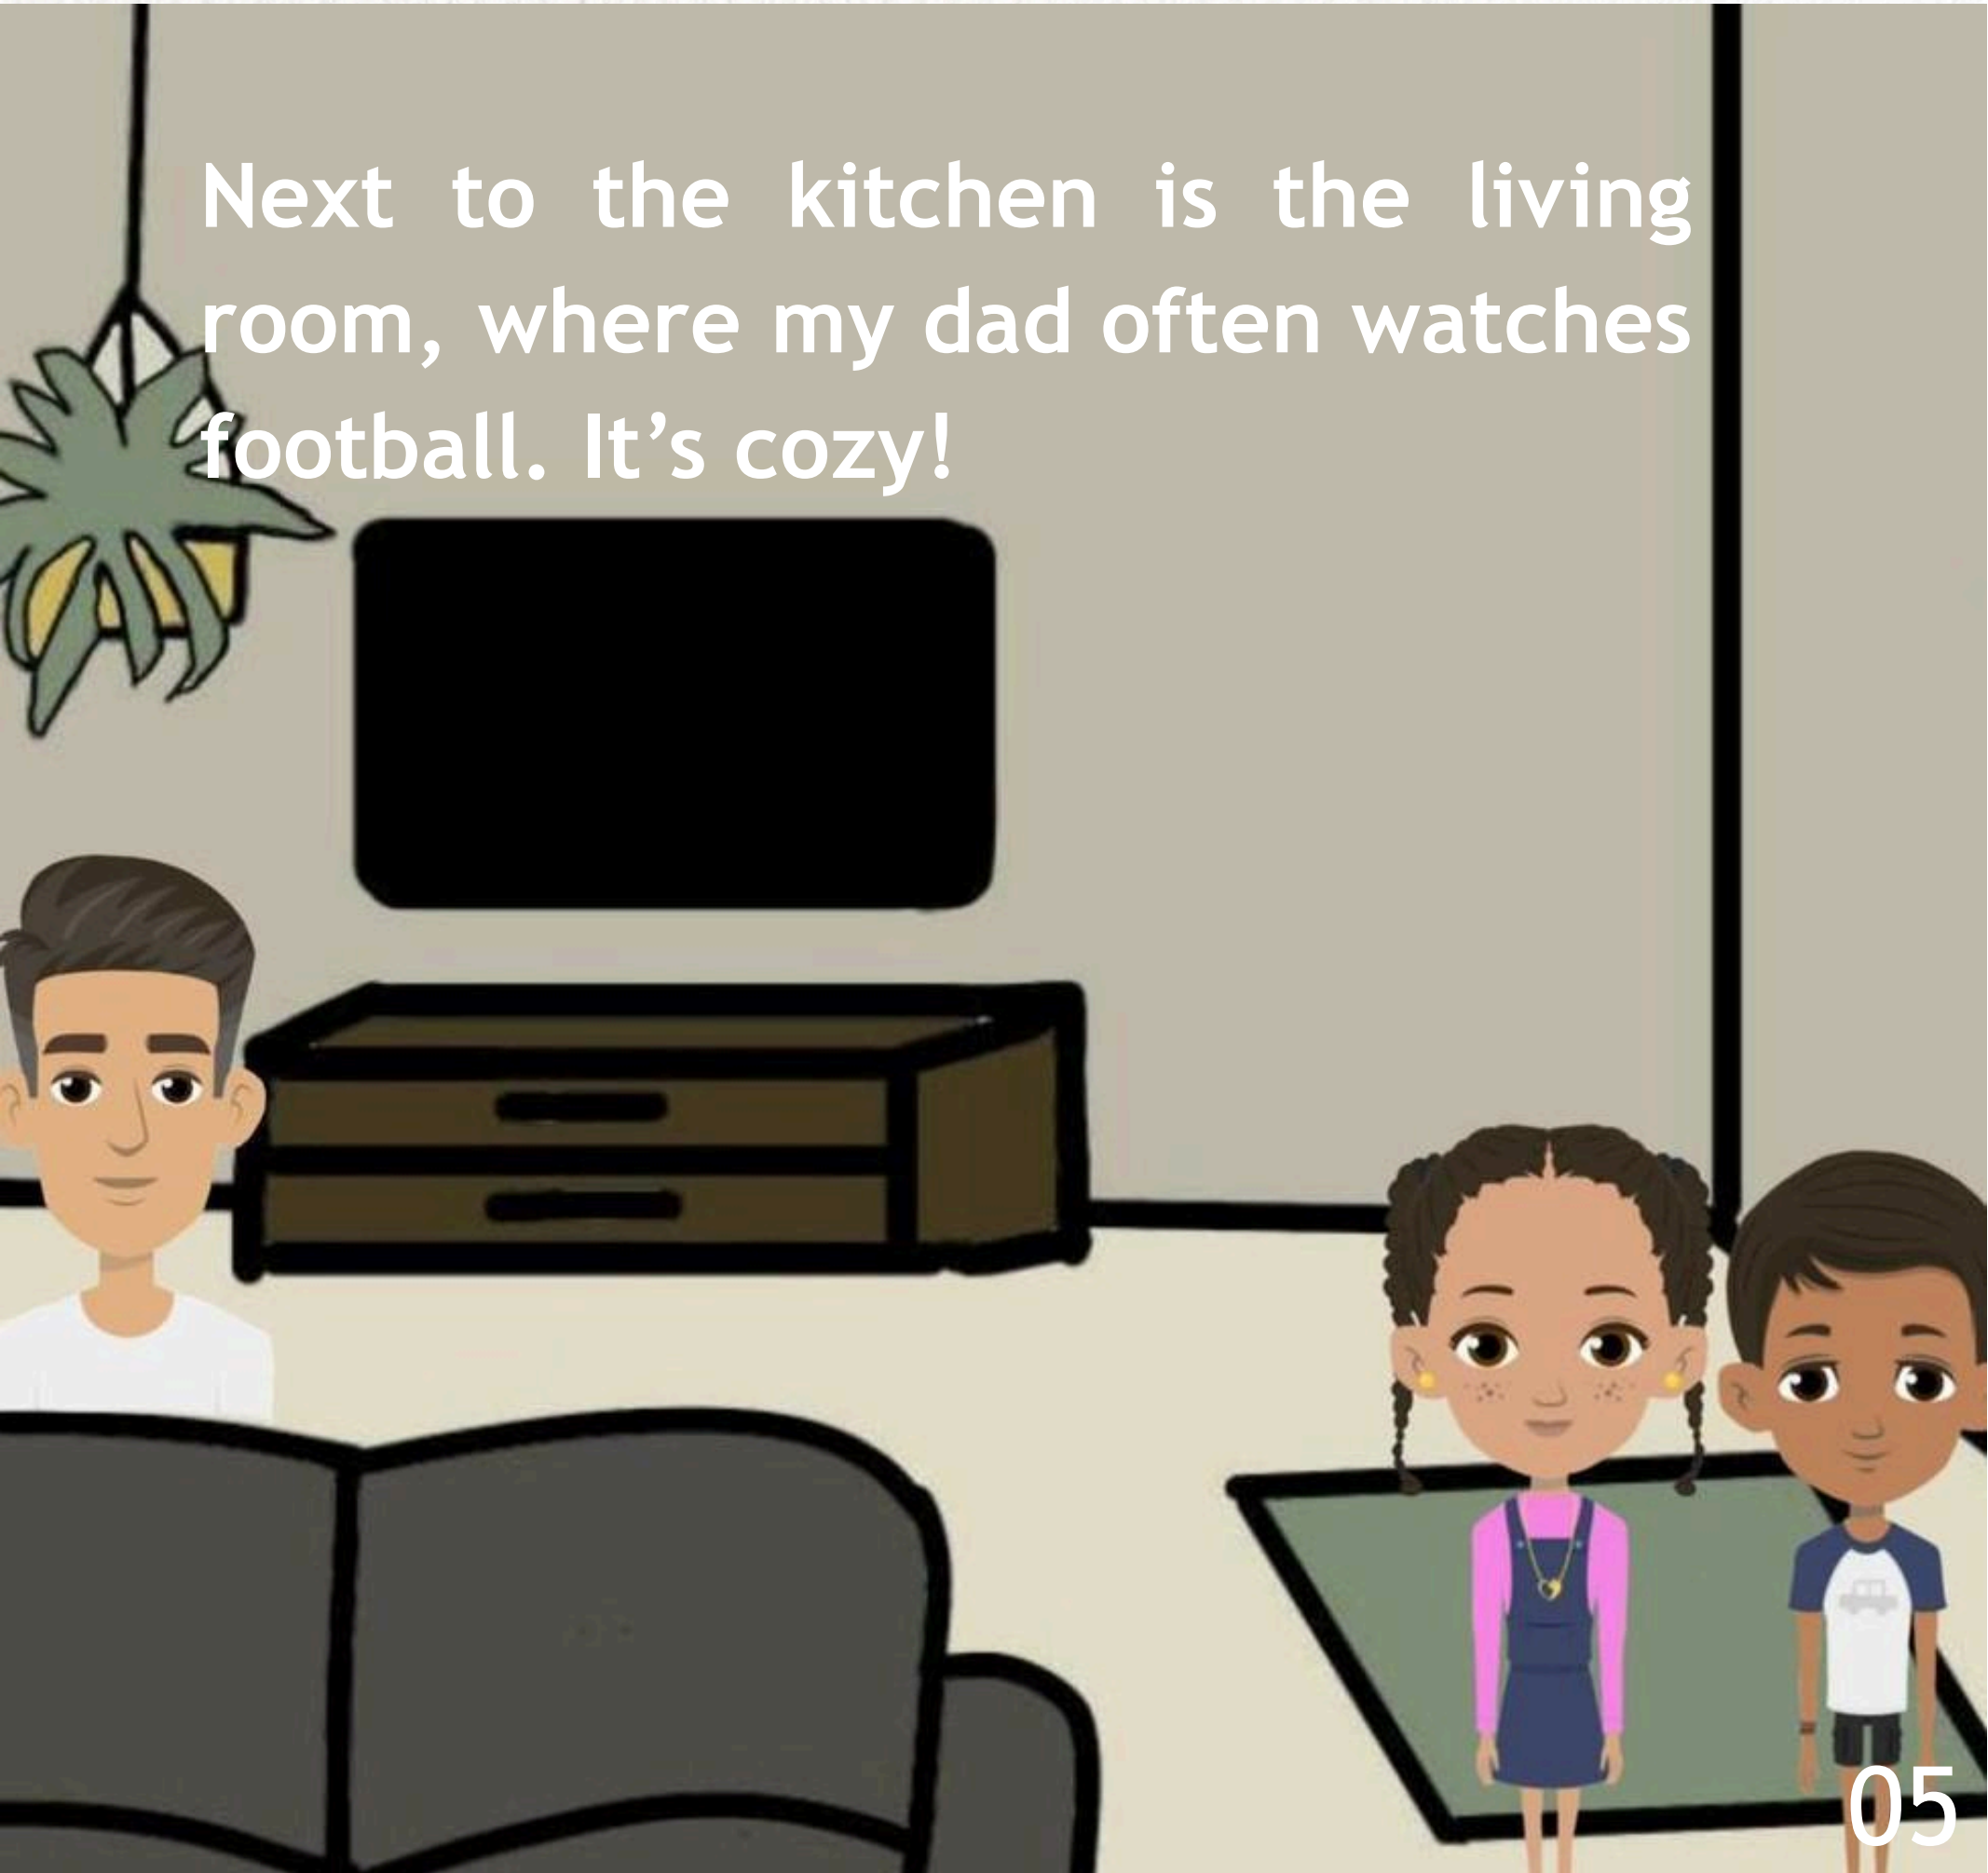

We have a bunk
bed—I sleep on
the top and Gael
sleeps on the
bottom.

Normally, I study in my room, but when Gael is playing there, I go downstairs and do my homework at the dinner table

Speaking of dinner, in the kitchen, my mom cooks delicious meals and desserts. It smells wonderful here!

Next to the kitchen is the living room, where my dad often watches football. It's cozy!

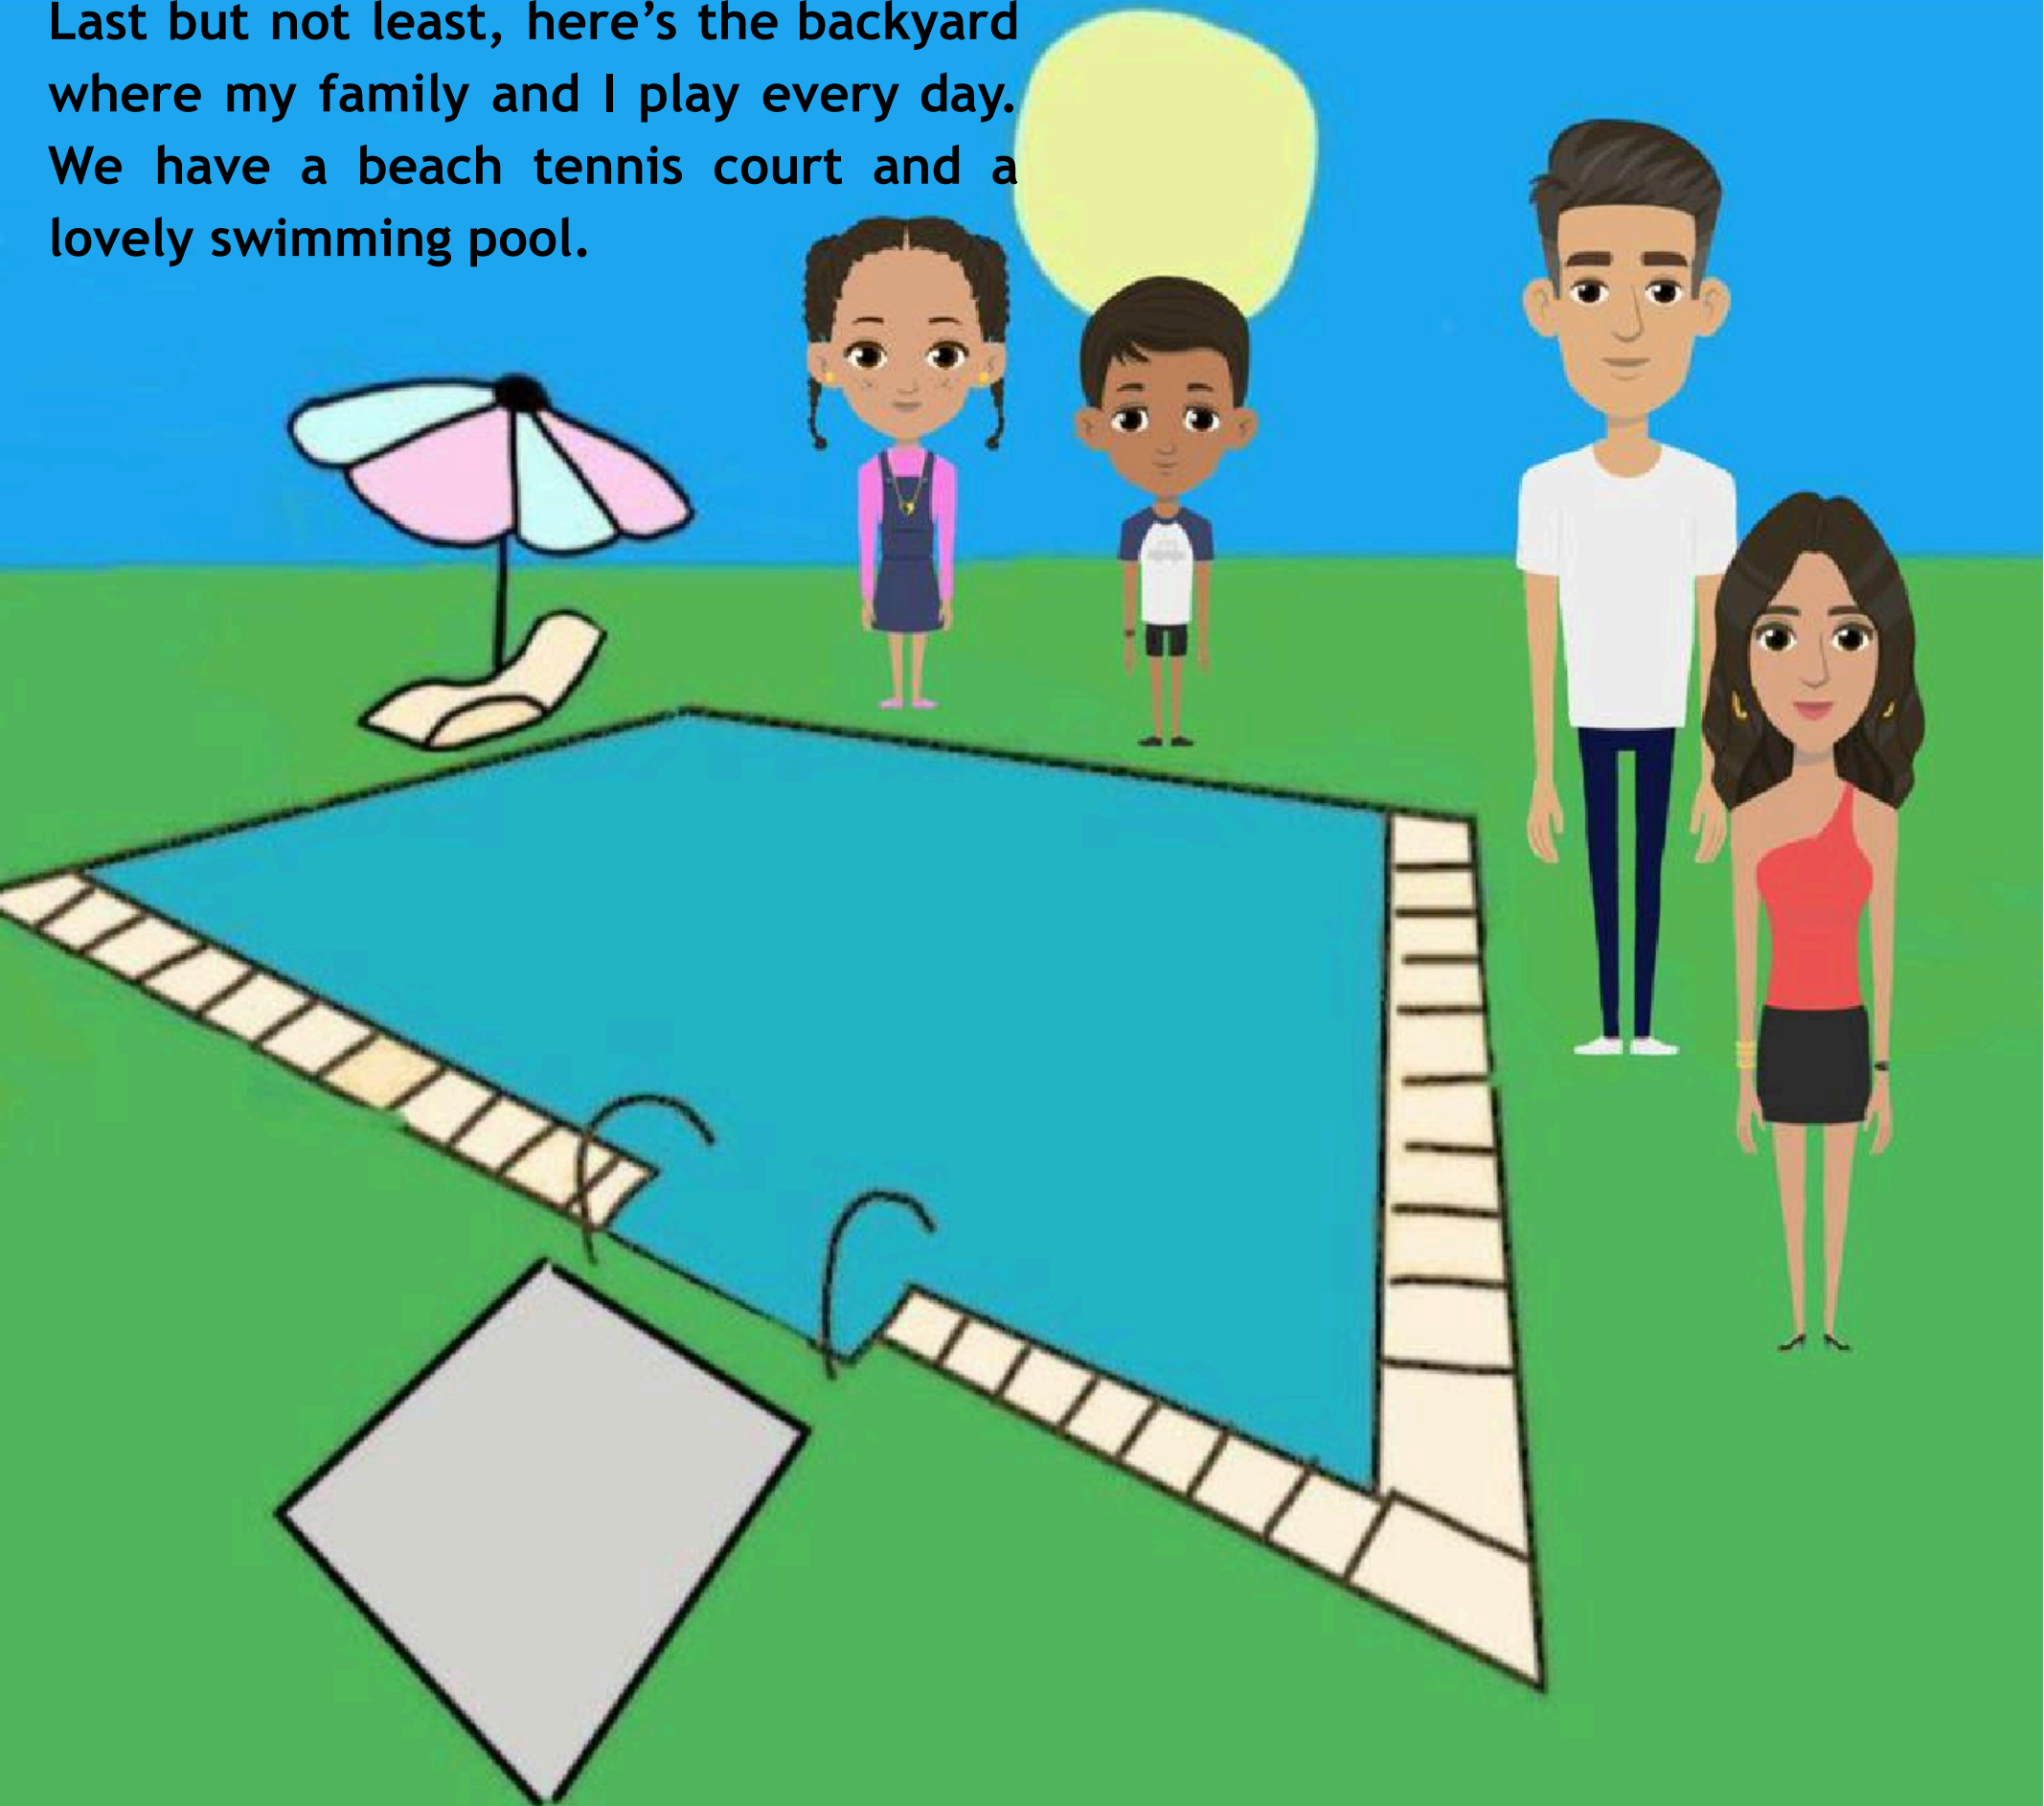

Now, let's visit the bathroom, where my mom loves to do her makeup. There's also a

bathtub, and in it, there's a rubber duck named Mr. Ronald. I adore

playing with him while I get ready for school.

Last but not least, here's the backyard where my family and I play every day. We have a beach tennis court and a lovely swimming pool.

Now I'm going to jump into the pool.
Three, two, one—SPLASH! I hope you
liked my little tour. See you next time!
